ALL AUTHORS MUST SIGN ON THE REVERSE SIDE

Measure H will provide critical funds to repair and improve West Valley-Mission Community College District's facilities.

3  
12

These funds will:

- Repair and upgrade facilities to train nurses, firefighters and emergency medical technicians.
- Improve the safety of campus buildings.
- Expand buildings used to re-train local workers who have been laid off.
- Allow local residents to continue to have access to a quality, affordable college education.

48-

These aging campuses desperately need attention now, before the problem worsens and the repairs become even more costly. Passage of this measure will allow our colleges to qualify for additional state funds that they otherwise will not receive.

38

The District, with the help of the community, has carefully assessed its needs in order to continue to offer a high quality, affordable college education to local residents. These discussions have involved members of the District and the community at large.

41

Bond funds will be used prudently to help the local community:

- 91% of District students are California residents.
- These funds will only fund capital projects.
- Under state law, no bond funds can go for administrators' or faculty members' salaries.
- A Citizens' Oversight Committee will oversee the funds' use.

48

Measure H has earned the support of both Republicans and Democrats, as well as law enforcement and firefighters.

18-

We urge you to vote Yes on Measure H. A vote for our community colleges is a vote for our future.
