

**Fremont Union High School District  
Official Argument in Favor of Measure L**

We are fortunate to have excellent local high schools that prepare students for college and successful careers.

14  
2

All five high schools that comprise the Fremont Union High School District - Cupertino, Fremont, Homestead, Lynbrook and Monta Vista high schools - exceed state standards for student achievement and are recognized as California Distinguished Schools.

8  
10  
10

Ninety-six percent of our students graduate and 90% of our students go on to college. Unfortunately, this remarkable record of achievement is at risk.

16  
9

Over the last two years, funding for our high schools has declined while student enrollment has grown and costs have increased. More than \$8 million has been cut from our school district budget.

13  
15  
4

Every effort has been made to avoid cuts that directly impact classroom instruction. Administrative positions were cut and administrative budgets slashed. There is no more administration to cut and no untapped sources of funding.

13  
12  
9

Eighteen teaching positions have already been cut. Without additional revenue, our local high schools will lose many more of our outstanding teachers, class sizes will increase, and ~~and~~ students will lose core academic classes and programs they need to graduate and go ~~to~~ college.

12  
13  
15  
3

Measure L will provide essential funding to preserve core academic classes, maintain qualified and experienced teachers, and continue programs that help our students graduate and qualify for college.

12  
11  
5

Measure L funds can only be used for the purposes outlined in the measure. All money raised by Measure L will stay in our community to benefit our high schools. None of this money can go to pay administrators.

16  
16  
6

An independent citizens oversight committee will make sure Measure L funds are properly spent.

12  
2

Measure L will be in effect for six years only. The cost of Measure L is deductible on your state and federal income taxes. Seniors citizens are eligible for an exemption.

18  
13

Please vote YES on MEASURE L.
