Our local high schools have been a valuable part of our community for over a century. They've prepared thousands of students for jobs and universities, and their excellent reputation helps keep our property values high.

The Campbell Union High School District already operates with nearly the lowest administrative costs in Santa Clara County. Unfortunately, state budget cuts continue to impact our schools.

It's time for us to step in and protect them.

Our local high schools have always operated with balanced budgets. They've stayed fiscally solvent in tough times by making cuts that never touched a single elective or instructional program - until this year, when class offerings had to be reduced.

Continued state budget cuts will directly impact the educational opportunity and instructional quality available to students. For the first time in 104 years, local high schools are turning to residents for a parcel tax. We hope you join us in supporting them.

Measure M will:

- Restore and improve academic offerings in basic subjects, including English, science, math and foreign language
- Preserve art, music and Advanced Placement courses
- Help keep classes small to allow for more personalized teaching
- Enable the district to recruit and retain the qualified, experienced teachers who make a real difference in children's lives
- Protect and improve campus safety

Every Measure M dollar will be used to improve education in local high school classrooms. These funds cannot be taken by the state.

Measure M will expire in five years and can't be renewed without voter approval. No funds will be used for administrative salaries. Senior citizens 65 and older are exempt.

Our local high schools have provided an excellent education for our children since 1900. Now it's time for us to support them. Please join us in voting YES on Measure M.
