

REBUTTAL TO ARGUMENT IN FAVOR OF SANTA CLARA COUNTY MEASURE M

There they go again.

4

The Campbell Union High School District proponents in their argument for Measure K say, "For the first time in 104 years, local high schools are turning to residents for a parcel tax".

27-

This would give you the impression they've never asked for money before.

12

4

The facts say otherwise.

On November 2, 1999, voters of the district passed a \$95,000,000 bond measure.

12

Check the facts yourself at: www.smartvoter.org/1999nov/ca/scl/meas/C/

6

And, according to their web site www.cuhsd.org/ltfip/index.html, that's just part of the \$117,000,000 spending program.

15-

They say Measure M will "Restore and improve academic offerings in basic subjects".

13

That means they have cut basic offerings in order to pay higher salaries to administrators. Is that what you want?

20

They say, "Measure M will expire in five years".

9

That gives you the impression this is just a temporary tax increase. But, will salaries and expenses decline after five years? Or, will they be back again asking for another tax increase?

32

The public education propoganda machine has done a great job pleading poverty while raking in more of your money each year. Don't be taken in by this con job.

29-

Make no mistake about it. This tax increase isn't "for the kids" it's for the employees of the district.

19

Just Say NO to new tax increases. Vote NO ON Measure M.
