State law already guarantees that at least 40% of California's general funds are spent on public schools. Furthermore, Franklin-McKinney School District also receives federal grants, corporate contributions, developer fees, state grants, and proceeds from school fund-raisers and foundations. And don't forget the lottery. More responsible spending is needed, not more taxes.

Now is the wrong time to acquire a site, and construct and furnish a new school at Communication Hill. Why add new facilities, and the associated upkeep costs, when the current facilities can't be adequately maintained?

Now is also the wrong time to heighten financial burdens on already struggling property owners. Our families and seniors are struggling with the rising cost of housing, gasoline, food, dental and medical expenses, child-care and electric bills.

Do we really need a new tax that we, our children, and their children will be paying for the next 30 years?

Although Measure Q taxes property owners, only district residents are eligible to vote (how would you feel if taxed yet **DISENFRACTISED?**). It's wrong to vote for increasing the tax burden when you aren't the one paying the tax!

Homeowners are on a property taxing merry-go-round (counties, schools, libraries, fire protection, hospitals, parks, etc.). How many "different" taxes are necessary?

Enough is enough! Maintenance is part of the district's duties. Responsible owners repair their property when needed.

There are only three voter positions when it comes to taxes:

- 1. Taxes are too high.
- 2. Taxes are about right.
- 3. Taxes are too low.

If you agree with position "3", then you could support this tax. However, if you agree with position "1" or "2", then you should vote "NO" on Measure Q.

Don't be misled by emotional rhetoric. You can be FOR students, FOR education, and AGAINST Measure Q.
