REGISTRAR OF VOTERS
COUNTY OF SANTA CLARA
By _____ Deputy

Argument in Favor of Measure U
November 2, 2004
Saratoga, CA

This Measure, which does not raise taxes, is proposed in conjunction with Measure V. (Measure V will assess a tax of only 4% on electricity, gas, water, phone, and cable services. This local levy generates funds beyond the State's reach, is consumption based, expires in 10 years, and includes the standard exemptions for qualifying low-income residents.) Measure U's purpose is to provide Saratoga citizens with a mechanism to advise the City Council on the use of the funds that passage of Measure V would generate. Although this Measure is not legally binding because of state legislative rules, advisory votes have been and will continue to be taken seriously by the City Council. 113

If you agree that the City of Saratoga should use Measure V funds (if passed) primarily for repair, maintenance and improvement of City infrastructure (including streets, bridges, sidewalks, medians buildings, and parks) and to maintain or improve current levels of public safety, then please **VOTE YES ON MEASURE U**.
